ALL ABOARD @ B & O!

A month to remember!

October proved to be "a month to remember" here at George Washington Elementary School, attaining our **National Blue Ribbon** status along with other activities i.e. the Y BOOST Lights On! Family event, the school wide trips to the B & O Railroad Museum, the launching of the EFFORT Program, the Baltimore Opera Company's performance, the jumping off the Pathways to Success boys & girls groups, along with visits by the press, USDE reps, Congressman Elijah Cummings and State Superintendent Nancy S. Grasmick, kept us all very busy and on our feet.

Congratulations to all on the success!
